	Moved George Lane Second Nick Proskurin Against Nil Accepted			
+ F				
Item 5	 Presidents report. Allen advised: Anzac Day Sydney had a good roll up with 12 Locators attending the Luncheon with a good number more marching behind our Banner. George Lane moved a vote of thanks in appreciation to Vic Danko for marking the arrangements at Zest Restaurant who looked after us with their usual great fare and service. LSTAA meeting attendances are declining. Allen will invite Joe Kaplan to our June meeting to discuss our joint futures. 			
	 Following the successful WA reunion in March, a proposal to provide the WA branch of the 131 Locators Assn with their own banner was put forward for discussion to establish if it was considered warranted. We will seek feedback from Barry on the matter. 			
Item 6	Public Officer Report.			
.cem 0	Vic delivered 2 DVD discs he had been given by the North Fort Museum. One was the digital copy of the			
	Emerson Electric company built ANKPQ1 Radar and the other DVD is still to be assessed.

	Signed Allen Morley	Meeting Chairman	

Addendum A

131Locators Meeting Action Items May 2017 Prior Action Items

1. The following projects have been deferred. **Ongoing** Suggestions - George Lane suggested 2 x \$500 scholarships be offered to a Locator's family annually.

Active Items

- 1. North Head Flagstone paver dedication date
- 2. 131 Bty flag project
- 3. Photo Album Project
- Photo Album project. This major undertaking will represent all Locators who served in SVN and to achieve its aim we require the help of all vets. Unlike the photos that appear in Eyes & Ears which are reduced in size, we will require BEST POSSIBLE QUALITY photos that will make the final cut. This project will represent the entire period of 131's involvement in the SVN conflict and will be a heritage item so each photo will need a full description.
- The committee is requesting the BEST pictures you have of Orderly Rm, Tpt Office. Raeme and Radar and LP sites (showing different modifications over time): Equipment used- Bearing Boards, Sound Ranging, Sensors etc. incl. details of how, when, where and why. (Radar. Starlight scopes, firearms, Transport modes {vehicular, airlift by chopper}:Aircraft used for deployments to FSBs and in close support roles birddogs, etc
- Pics of the US Arty guns in support units 1/83rd and 2/35th: pics of liaison with ARVN personnel and positions.
- We will be looking for help from Personnel from each year/Corp to help with names and position identifications to ensure accuracy.
- We need YOUR INPUT!

Updates **Completed** on Prior Action Items
